Don't want to be me anymore!! | Mental Health Forum

I don't want to be any more. I'm so tired and I'm sick of being such a useless waste of skin. I've been on and off antidepressants for years and I hate what they do to me but I know that's the only "help" I'd get were I to see a doctor. I spent a lot of time as an inpatient in my teenage years and I don't feel like I'm salvageable.

I don't know what to do about it. I don't really want to kill myself but I can see no other way out of the situation I am in. If there was an off button I'd press it. I'm worried about the possibility of harming myself going wrong and being left in a worse position that I am now. I don't want to and won't contact the gp.

DH and I have decided our family is complete and we don't want any more kids. DH went to the docs today and asked about having the snip. Doctor told DH that 1 in 20 men experience a lifelong pain in the scrotum area after having the snip and that it would be easier for me to have the coil/injection/implant fitted.

I don't want to live Anymore. I have hopes
and dreams but I'm starting to think that
they won't work out, I don't have a lot of
friends I have trouble making friends and I
feel like nobody likes me. Nobody cares if
I'm around or not I don't feel like I'm
important to anyone except my parents
and like two of my friends but that's it and
it's hard to feel worthy of anything

I genuinely don't want to live anymore.
The title says it all... I really just don't
want to be alive anymore. I've struggled
with anxiety for many years and
depression for the past year. I'm just so
tired and fed up with dealing with the
stress everyday. I had a suicide attempt
this past May followed by months of
therapy.
