This work continues the presentation of a long-predicted

major advance in critical human knowledge. It explains the

very essence of consciousness as it evolved from its

primordial appearance as life on earth on up through

evolution as the human ego, and to its transcendence as the

spiritual Reality of Enlightenment and the Presence of

Divinity.

I: Reality and Subjectivity by David R. Hawkins

I: Reality and Subjectivity explains the very essence of

consciousness as it evolved from its primordial appearance

as life on earth, on up through evolution as the human ego,

and hence, the transcendence of the ego as the spiritual

Reality of Enlightenment and the Presence of Divinity. The

uncommon clarity and lucidity with which the highly evolved

subject matter is presented facilitates the reader's

understanding and comprehension.
