Geography takes advantage of its position to examine relevant concepts and ideas from a wide variety of disciplines. This helps students develop an appreciation of, and a respect for, alternative approaches, viewpoints and ideas. The geography course embodies global and international awareness in several distinct ways.

Hey there! I am currently a first year college student who completed their IB diploma in 2019. I took Geography at a higher level and obtained a level 7! I was a part of the first batch of students to complete the new IB Geography syllabus. I struggled with finding online resources for the new syllabus and so I decided to create a website with various resources and tips that would help ...

IB Geography students must meet 4 assessment objectives (“AO”) detailed using a list of command terms. Students should be familiar with the following key terms and phrases used in examination questions, which are listed on the diagram to the left, and are understood as described in the IB Geography Guide (see list below). Although these terms will be used frequently in examination questions, other terms may be used to direct students to present an argument in a specific way:

OVERVIEW. IB Geography students investigating the impact of tourism in mountain communities. Internal assessment (fieldwork) is an integral part of the Geography course and is compulsory for both SL and HL students. It enables students to demonstrate the application of their skills and knowledge, and to pursue their personal interests, without the time limitations and other constraints that are associated with written examinations.
