McCaffrey (In Search of Ancient  
Ireland) has penned a "quick," partisan  
(from the Catholic viewpoint) version  
of Irish history. The arrival of the  
English in the 12th century is duly  
noted and the long melancholy march  
to the modern age is marked by jumps  
from King Dermot MacMurrough to  
Oliver Cromwell, the potato famine  
and the political turbulence of the late  
19th century.

Across Ireland today are festivals, places, and folk customs that provide a tangible link to events thousands of years past.
