Interest Representation in the European Union: Amazon.co ...

Lobbying in the European Union, also referred to officially as European interest representation, is the activity of representatives of diverse interest groups or lobbies who attempt to influence the executive and legislative authorities of the European Union through public relations or public affairs work. The Treaty of Lisbon introduced a new dimension of lobbying at the European level that is different from most national lobbying. At the national level, lobbying is more a matter of personal an

Greenwood Justin - Robert Gordon University

Therefore, the new institutionalist theory can be useful to understand development of interest representation in the EU. Development of interest representation (and lobbying) in the EU, largely, depends on two factors. First one is the changes of competences of the EU institutions in EU decision-making process in accordance with the EU treaties.
