For the last ten years, Cahalan has taught a course titled Introduction to Pastoral Ministry at St. John's, which explores basic questions about ministry. With an awareness that no text exists that considered these matters to her satisfaction and based on her experience teaching the course, Cahalan wrote Introducing the Practice of Ministry.

Description. Revised and updated, Royce's Introduction to the Practice of Fishery Science is a classic text. With a new chapter on aquaculture, this book provides the background for a first course in fishery science. Intentionally focused on the practical and professional requirements of careers in the management and maintenance of fisheries, this text will be useful to students as well as to established professionals.
