# Access Free Iphone Activation Guide At T

Most of the time, it should be very simple for you to activate an iPhone. If you've bought the phone new at an Apple Store, cellular provider, or major retailers, it's likely you already have a Sim Card installed. If it is not, however, you'll have to do insert the SIM card. Power the phone off then eject the SIM card tray.

## How to Activate a New iPhone - Step-By-Step Guide

Check the list on the System Status page. If the box by iOS Device Activation isn't green, try to activate your iPhone later. If asked to enter your password as you activate your iPhone, enter the password. (A password prompt means that Activation Lock might be enabled in Find My iPhone.)
