1986 – 1993: Mitsubishi Delica Star Wagon L300 If you say “ Mitsubishi Delica ” in the U.S., most enthusiasts will picture the iconic third-generation model. Its futuristic ‘ 80s styling, forward control driving position (e.g. you sit atop the engine and wheels with no hood), and tall stance make it instantly recognizable.

I know a lot of people dig the L300 model,
and they do have a higher milage
Chamanoix for a fair chunk less, but I prefer
the newer body style. So now the questions
for which I'm sure y'all have answers: what
are the benefits or the ride of one style verses
the other? Thanks . feetforbrains Active

(Redirected from Mitsubishi L-300) The
Mitsubishi Delica is a range of cabover vans
and pickup trucks designed and built by the
Japanese automaker Mitsubishi since 1968.
It was originally based on a cabover van and
pickup truck introduced the previous year,
also called the Delica, its name a contraction
of the English language phrase Delivery car.
