I have the Janome coverpro 1000cpx and purchased the extension table and the clear foot. I blu tack a generic binder got from ebay onto the extension table and it works very well. Planning to buy another generic binder in a smaller size, I have the 42mm ~ 12mm. I am so glad I didn't buy the Janome brand binder/plate because it costs \$199 in Australia. I can get a generic binder on ebay for ...
