~~Japanese In Plain English 2nd Edition~~

The plain form of a verb, also called the dictionary form (since it is the one you will find in dictionaries) or basic form, is the informal present affirmative form of the verb. The plain form is arguably the one Japanese speakers use the most in their daily interactions, given that it is used with family and friends.

Even in this global age, we Japanese people tend to not be able to speak English, despite having been in contact with the language for about 12 entire years. Naturally, just like every other subject, it also depends on personal strengths and weaknesses. For some, it ' s a breeze while others struggle. However, even those who excelled in English class tend to not be very good at the language ...
