"Surrender my Love" is the third in Johanna Lindsey's Viking trilogy and in my opinion it is as good as the previous two "Fires of Winter" and "Hearts Aflame". First of all I am very much interested in the history of Dark Age Britain and when I read a historical romance I want proper historical background in it as well.

"Surrender My Love" is the story of Viking Selig and Dane Lady Erika. After the amazing "Hearts Aflame", I was super excited for Selig's book, Kristen's brother. The plot: While on a mission, Selig is captured and wounded. When he goes to the Danes for him, they mistake him for a spy and because of "someone", he gets tortured.
