Diet for a New America: How Your Food Choices Affect Your ...

But Robbins soon realized that there was an upside to our collective financial downturn: Curtailed consumerism could lead us to reassess our lives and values. The New Good Life provides a philosophical and prescriptive path from conspicuous consumption to conscious consumption. Where the old view of success was measured by cash, stocks, and various luxuries, the new view will be guided by financial restraint and a new awareness of what truly matters.

John Robbins

In 1987, John Robbins published Diet for a New America, which was an early version of this book, and he started the food revolution. He continues to work tirelessly to promote conscious food choices more than 20 years later. First published in 2001, The Food Revolution is still one of the most frequently cited and talked about books of the food ...
