Journal Of A Student Midwife

British Journal of Midwifery is the leading clinical journal for midwives. Published each month, the journal is written by midwives for midwives and peer reviewed by some of the foremost authorities in the profession. It contains the best clinical reviews, original research and evidence-based articles available, and ensures that midwives are kept fully up-to-date with the latest developments taking place in clinical practice.

Student Midwives - British Journal of Midwifery Magazine

This book, as the title indicates, is the day to day journal of a nurse now undergoing training to become a midwife. It follows both the practical work, such as trying to get the required number of deliveries, and the academic challenges of essay deadlines and exams, to say nothing of fitting in family life with two school age children.

Access Evidence Based Midwifery Journal

I'm Charlotte - I created Midwifery Revision in 2019 when I realised there was a distinct lack of uni-related information online for student midwives. My mission is to make study resources that help student midwives learn their theory content in half the time so they can feel confident and capable at uni and still have time to have a life outside of it!

Midwifery Revision - Educational resources for student ...

The journal welcomes the highest quality scholarly research that employs rigorous methodology. Midwifery is a leading international journal in midwifery and maternal health with a current impact factor of 1.88 (2017 Journal Citation Reports, Clarivate Analytics 2018) and employs a double-blind peer review process.

Midwifery - Journal - Elsevier

Series student edition 2020. 08 September 2020 Midwifery Continuity of Carer (MCOCC) is one part of a wideranging reform of UK maternity services which aim to improve outcomes and experience of care for women and babies. Student midwives have an important role to play in its implementation. Evidence-Based Midwifery Journal.

Publications

Two generations of dynamic Byrom midwives, writer-speaker Sheena and her daughter Anna, have given new vision and energy, as well as a gorgeous new look to the venerable monthly journal The Practising Midwife. There's something new as well: an associated online platform of great stuff. Don't miss it if you are a midwife, student midwife, obstetric nurse, doula, or birth educator.
