Joy of Business | LinkedIn

As 2020 draws to a close, we asked our colleagues in Business Affairs to share at least one good thing that happened to them in 2020. This year was full of many challenges, but we can all find relief in sharing a bit of our own joy with others.

Our joy: Sharing the good from 2020 with our BA colleagues ...

In any team environment, joy arises from a combination of harmony, impact, and acknowledgment — all of which business leaders can engender in their organizations.

Making Joy a Priority at Work - Harvard Business Review

A joyfulness, a fun, playfulness while still taking the required actions to move the business forward and receive money in abundance. It's such a relief to take the dull, drab, seriousness out of business and still have pragmatic, flexible tools to create a successful business that is joyful and works for you!

Joy of Business by Simone Milasas | Audiobook | Audible.com

If you were creating your business from the JOY of it—what would you choose? What would you change? What would you choose if you knew you could not fail? Business is JOY, it's creation, it's generative.
