~~Multinational Corporation (MNC)~~ Definition

Multinational corporations became the central focus of business and human rights concerns because their scope and power expanded beyond the reach of effective public governance systems, thereby creating permissive environments for wrongful acts by companies without adequate sanctions or reparations.

coordinates the management of all its
other offices, such as administrative
branches or factories.

~~Multinational Corporation (MNC) – Overview ...~~

A multinational company (MNC) is a business that has operations in more than one country. Note that a business does not become an MNC simply because it sells its goods and services to more than one country. The key to being an MNC is that the business has business operations in two or more countries. Key Reasons for the Growth of MNCs
