Pre-writing skills are the fundamental skills children need to develop before they are able to write.

These skills contribute to the child's ability to hold and use a pencil, and the ability to draw, write, copy, and colour. A major component of pre-writing skills are the

Young children usually begin their first attempts at writing in Pre-K.

These beginning writing skills are future predictors of reading and writing success.

Children must be given daily writing opportunities to help strengthen the tiny muscles in their hand and provide a chance
