First Key to Success - A Clear-Cut Goal. You need to know exactly what you want. If you do not know precisely what you want, you will not take the right action, go in the right direction, or make the right decisions. When the goal is clear-cut, you can make plans and you know what steps you need to take. Second Key to Success - Studying Your Goal

~~What Are the Six Important Keys to Success to Follow?~~

Write down Your Goals. The first thing you do in the morning will determine what your day is going to be like. Program your mind to be in a powerful state from the moment upon waking, and you are guaranteed to have a productive and great day. How you can do this is by writing your goals down, every morning.
