~~Kindle Paperwhite Battery Indicator~~

Personally, I think maybe the Kindle deliberately indexes books from sources other than the kindle bookstore improperly as a disincentive for people to use those sources. Anyway, I found a way to disable the indexing all together! I'm really happy with it and my Kindle doesn't lock-up so often. It also dramatically increases my battery life.

~~Disable indexing (search) = longer battery life ...~~

My Kindle Paperwhite battery became fully exhausted and the battery ! Icon popped up on the screen. When I plug it in the amber light is solid, but it will not turn back on. While plugged in if I hold the power button the indicator light will flash Amber then green, then the screen light will turn on, but ultimately it returns to the battery ...
