This is not going to be the new model of the Kindle, but it would be an updated version of Paperwhite, which was released three years back. The Paperwhite Kindle was a hit in the market, and Amazon was planning from last year to bring an updated version of it in the market soon. The company was going to release it in the month of September this year, but now, due to the COVID-19 pandemic, it is said that we will not be able to see it this year.
