a cross bar from the subframe to the hoe; not a top link.

Kioti backhoe subframe and mounts - Page 2
Re: Kioti backhoe subframe and mounts In reality part #3 might be compatible with the Ford hoe with some slight modifications. The front attachment point will require some additional work as I think part number 1 goes in the same spot as the rear subframe mount for the front mount blower, but I think it can be overcome with a little extra fab work.
