Planning, Delivery and Completion are the stages of CFI business where the conduct of internal lesson learnt discussions and workshops should occur. These stages have been defined at the high level and align with the business process applied to CFI

Online Library Knowledge Management projects.

~~DEQMS : Lessons
Learnt and
Knowledge
Management ...~~

As organizations
come to understand
the connection
between best
practices and LL,
they should develop
systems that
support a transfer

Online Library Knowledge

of knowledge.

Berke (2001)

considers LL and best practices as an integral process and defines it as Best Practices Lessons Learned (BPLL).

~~Lessons Learned~~
Lessons learned are the last outcome of a project. As we have explored in

Online Library Knowledge

our previous
articles, every
project has a life
cycle which
includes four major
phases. These are
starting, organizing
and preparing,
execution and
closing. Lessons
learned are
executed after the
closing of the
project.

Online Library Knowledge Management

~~Lessons Learned:
Secret Code of
Project~~

~~Management~~
Lessons Learned
Knowledge

Management
(LLKM) is defined
as the recording of
experience-based
lessons-learned
analyses such that
individuals can

Online Library Knowledge

discover, retrieve,
and apply lessons
appropriate to their
current
circumstances.

Lessons-learned
analysis includes
retrospective
analysis of
successes and
failures,
counterfactual
analysis of
alternative actions

Online Library Knowledge

and likely
consequences, and
hypothetical
analysis to
recommend actions
in similar
circumstances.

~~Lessons Learned~~
~~Knowledge~~
~~Management~~
Knowledge
management is the
conscious process

Online Library Knowledge

of defining,
structuring,
retaining and
sharing the
knowledge and
experience of
employees within
an organization.

The main goal of
knowledge
management is to
improve an
organization's
efficiency and save

Online Library Knowledge

Management within
the company.

~~What is Knowledge
Management? its
Importance and
Benefits~~

Many respondents
commented that
their lessons
learned processes
don ' t work.

Knowledge
management

Online Library Knowledge

maturity varies a lot. A few organisations are excellent at knowledge management, some are self-acknowledged beginners and others are in between. In many organisations, people share knowledge between

Online Library Knowledge

projects only at the
handover and
closure stages.
