

Kongsberg Maritime Simulation And Training The Power To

Thank you very much for downloading **kongsberg maritime simulation and training the power to**.Most likely you have knowledge that, people have look numerous period for their favorite books taking into account this kongsberg maritime simulation and training the power to, but end stirring in harmful downloads.

Rather than enjoying a fine ebook later than a mug of coffee in the afternoon, on the other hand they juggled once some harmful virus inside their computer. **kongsberg maritime simulation and training the power to** is simple in our digital library an online right of entry to it is set as public so you can download it instantly. Our digital library saves in complex countries, allowing you to get the most less latency times to download any of our books in the manner of this one. Merely said, the kongsberg maritime simulation and training the power to is universally compatible afterward any devices to read.

Maritime Simulation Kongsberg Digital provides advanced simulation systems for maritime education, training and studies. Our wide range of simulators enables you to provide efficient and realistic training of students and crew in order to build vital skills that promotes safety, cost-efficiency and sustainability in operations at sea.

K-Sim Family—KONGSBERG-DIGITAL:
Solutions for different training purposes We build on more than 50 years of experience in providing the maritime, offshore and naval industry state-of-the-art simulation solutions enabling safe, sustainable and efficient education and training.

Maritime Simulation—KONGSBERG-DIGITAL:
Maritime Simulators These courses are aimed at instructors and maintenance personnel of KONGSBERG's Maritime Training Simulators including K-Sim Navigation, Polaris, Offshore, Engine, Cargo and Dynamic Positioning. As a supplement to simulator operator training, we offer your instructors courses in instruction and assessment.

Kongsberg-Maritime-Customer-Training
K-Sim Connect is the cloud-based eco-system for maritime education and training where KONGSBERG provides simulation and services to all members. Currently we have in place a range of subscription-based solutions benefitting the users, and we are continuously working on creating additional services for the community.

K-Sim eLearning solution—KONGSBERG-DIGITAL:
Naval Training Maximizing performance in extreme operations KONGSBERG builds on more than 200 years of experience delivering mission-critical solutions with extreme performance to customers that operating under challenging conditions.

Naval-Training—KONGSBERG-DIGITAL:
Students can obtain access to the simulation exercises at any time or location, simply by logging in. "Kongsberg Digital is the first to deliver advanced cloud-based simulation, supporting maritime training institutes in modernising and improving the quality of their training.
