examples help readers understand how economic concepts play out in our world.

Macroeconomics: Canadian Edition 3rd Edition | Paul

...

This is the only book that provides business students and MBAs with a thorough and applied understanding of both micro- and macroeconomic concepts in a way non-economics majors can understand. The third edition retains all the same core concepts and straightforward material on micro- and macroeconomics while incorporating new case material and real-world examples that relate to today's managerial student.
