## Law

Labour law (also known as labor law or employment law) mediates the relationship between workers, employing entities, trade unions and the government. Collective labour law relates to the tripartite relationship between employee,

# File Type PDF Labour Law

employer and union. Individual labour law concerns employees' rights at work also through the contract for work.

~~Labour law - Wikipedia~~

Labor law, the varied body of law applied to such matters as

# File Type PDF Labour Law

employment, remuneration, conditions of work, trade unions, and industrial relations. Labor law also deals with the legal relationships between organized economic interests and the state and the rights and obligations related to some social services.
