Margaret spent much of her childhood with her parents and sister. Her life changed dramatically at the age of six, when her paternal uncle, King Edward VIII, abdicated to marry divorcée Wallis Simpson. Margaret's father became king, and her sister became heir presumptive, with Margaret second in line to the throne. During the Second World War, the two sisters stayed at Windsor Castle despite suggestions to evacuate them to Canada. During the war years, Margaret was considered too young to ...

Edmée Elizabeth Monica Dashwood, née de la Pasture, commonly known as E. M. Delafield, was a prolific English author. She is best known for her largely autobiographical *Diary of a Provincial Lady*, which took the form of a journal of the life of an upper-middle class Englishwoman living mostly in a Devon village of the 1930s. In sequels, the *Provincial Lady* buys a flat in London, travels to America and attempts to find war-work during the Phoney War. E.M.Delafield's other works include an ...
