Lancia Delta S4 | eBay

The Lancia Delta S4, which the works team ran immediately prior to the HF 4WD and Integrale models' world championship careers from the season-ending 1985 RAC Rally until the end of the 1986 season, while sharing the same name and appearance, was a Group B race car designed and built specifically for rallying, and was entirely different from the mass-produced consumer versions.

Lancia Delta - Wikipedia

Rally Legend Recreations are best known for our stunningly accurate recreations of the famous Lancia Delta S4 and Lancia 037's. All cars are replicated as close to the originals as possible and also utilising the same construction methods wherever possible.

Rally Legend Recreations

The Lancia Delta S4 is a car designed to race in the most compelling, and dangerous, form of rallying ever devised – Group B. Both supercharging and turbocharging were used on the Delta S4, a system commonly referred to as twincharging, and in full race trim the 890 kilogram car was capable of over 500 hp.
