NEW YORK STATE MULTIPLE

DWELLING LAW ARTICLE 1 ...

To begin , like the start of any law assignment , we will start with defining land.

Defining land is not as straight forward as one might hope, for there is no single authoritative , statutory definition .

However a good starting point is the partial definition of "land" in the Law of Property Act 1925 (LPA 1925) S.205 (1) (ix) ;

form of 'title by registration', rather than 'registration of title'." [1] This marks a radical departure from centuries of land law, which established possession as the basis of title. [2]

Land Registration Act 2002 -
Law Teacher

In common law systems, land tenure is the legal regime in which land is owned by an individual, who is said to "hold" the land. It determines who can use land, for how long and under what conditions. Tenure may be based both on official laws and policies, and on informal customs. In other

words, land tenure system implies a system according to ...

Land tenure - Wikipedia
This core area of law governs the operation of political communities, most notably the state. It revolves around the concept of the state protecting fundamental rights of the individual, though legislation sometimes originates from non-national sources - the European Union (EU), for example.

Areas of law |

For example, if A signs a contract to purchase land

Download Ebook Land Law 7 E Core Texts Series

from B, but B refuses to complete the contract, equity will grant the remedy of specific performance against B, and B will have to transfer the land to A. This happened so routinely that eventually A was treated in equity as if he held a property interest in the land once the contract was signed.
