MDPI (Multidisciplinary Digital Publishing Institute) is a publisher of scholarly and scientific journals ranging from basic research in natural and social sciences, to engineering and applications. Articles are peer-reviewed and published in open access journals. This is the official MDPI LaTeX Template as of December 2020.

## Templates - Overleaf, Online LaTeX Editor

This essay template is best used for literature essays containing mostly text. This is supported by a thin single column layout with clear unnumbered section titles to increase readability. The template contains an abstract, keywords and references, which makes it suitable for college/university essays but these elements can be easily removed for a simpler high school essay.
