relatively easy and allow you to get used to completing the tests. It then has 15 Higher Tier tests which are more challenging but just require more thinking. Overall brilliant book of practice tests with official mark scheme at the back of the book so you can see how well you have done and where you went wrong.

starting to panic, since is the first written exam, am currently frantically going over vocab.

Hopefully won't do too badly, as I want to do Latin next year, but I know language is the hardest paper of the 3, as the grade boundaries are ridiculously high.
