It begins with a brief account of the devolution settlement and summarises the themes emerging from the subsequent chapters.

Law Making and the Scottish Parliament: The Early Years on –

Law making has emerged as one of the defining activities of the scottish Parliament. In the ten years since devolution the Parliament has passed almost 150 Acts, on subjects ranging from criminal law to evidence, from local government to planning, and from mental health to family law. In doing so it has confounded the expectations of those who thought that law making would not feature prominently among the new Parliament's activities:

A Parliament that is Different? The Law-Making Process in –

Making Law and the Scottish Parliament. In general laws are made by the passing of a Bill. The Scottish Parliament are able to make legislation on decision concerning developed matters such as education, health, housing and social work but reserved matters such as defence, foreign policy and immigration are matters that can only be decided on by the UK government as they have a direct influence over issues concerning the United Kingdom as a whole.
