~~Workplace Justice Influences Employee and Organizational ...~~

Organisational justice, first postulated by Greenberg in 1987, refers to an employee ' s perception of their organisation ' s behaviours, decisions and actions and how these influence the employees own attitudes and behaviours at work. The term is closely connected to the concept of fairness; employees are sensitive to decisions made on a day-to-day basis by their employers, both on the small and large scale, and will judge these decisions as unfair or fair.

Using a survey of 253 healthcare managers, we describe how the positive impact of transformational leadership on motivation is fully mediated via different aspects of organizational justice. The results indicate that while transformational leaders influence each type of organizational justice, followers' motivation is affected primarily by procedural and interpersonal justice and little by distributive justice.
