Leaving the Enchanted Forest: The Path from Relationship ...

San Francisco, CA: HarperCollins] This is a clear, practical guide for anyone interested in developing healthy relationships. In addition to discussing the roles and impacts of family and society on relationships, *Leaving the Enchanted Forest* provides ten stepping-stones to intimacy (e.g., values, communication, boundaries, and quality time). Using richly detailed examples, suggestions, and exercises for self-exploration, this book offers real solutions for the healing of relationships.

Leaving the Enchanted Forest: The Path From Relationship ...

Leaving the Enchanted Forest helped me to understand how our environment (family, friends, tv, and books) set up our expectations of how a relationship should or shouldn't be. These expectations whether bad or good are contributing factors in how we relate to others and how we expect other to relate to us.
