Legal Education And Research Methodology  
Legal Education Research Network LERN. One of its core aims is to support researchers, through a range of activities, including through its members providing advice and support for each other, such as by suggesting useful source materials, reading draft questionnaires, piloting them and looking over interview schedules.

Legal Education Research Network LERN | Legal Education ...  
About Methodologies of Legal Research. Untill quite recently questions about methodology in legal research have been largely confined to understanding the role of doctrinal research as a scholarly discipline. In turn this has involved asking questions not only about coverage but, fundamentally, questions about the identity of the discipline.
