A process that today reaches its extreme expression in modern, industrial, capitalist, technocratic and patriarchal civilization, for which spirit and nature are a hindrance. The first assault was the conversion of spirituality into religiosity, into institutions of power that used the spirit as a pretext.

The Spirit of Horses 2016 Calendar: Harrison, Lesley—

Clifton's spirit writing, while ostensibly fitting into a race- and gender-blind New Age tradition, should be read as an important contribution to Black feminist theories of embodiment. Clifton's spirit communications foreshadow contemporary global issues like climate change and the rise of the far right, and they position Black women at the vanguard of addressing these issues.
