No War, No Peace: Life and Death in Eritrea 12 min read. Thirty years after Eritrea gained independence from Ethiopia, there has hardly been any meaningful development in this small nation in the Horn of Africa. On the contrary, the government's authoritarian policies have undermined democracy and forced young people to flee the country.

It is a sombre scene, but one that could easily be a depiction of a funeral in the late Iron Age. Yet this image is a reconstruction of life and death in the early Romano- British countryside. Seemingly little has changed, but appearances are deceptive. The text comprises six principal chapters, book-ended by an introduction and conclusion.

The Life and Death of Colonel Blimp is a 1943 romantic drama war film written, produced and directed by the British film making team of Michael Powell and Emeric Pressburger. It stars Roger Livesey, Deborah Kerr and Anton Walbrook. The title derives from the satirical Colonel Blimp comic strip by David Low, but the story itself is original.

The Life and Death of Colonel Blimp - Wikipedia

Life and death is a fundamental concept in the game of Go, where the status of a distinct group of stones is determined as either being "alive", where they may remain on the board indefinitely, or "dead," where the group will be lost as "captured". The basic idea can be summarized by: A group must have two eyes to live.

The psalmist valued his life for the opportunity it afforded to him to worship God, and the real tragedy of death was that his worship, so long enjoyed as the essence of life, would be silenced. These verses are not a commentary on death or the afterlife so much as they are a commentary on the real value and true essence of life in this world.
