Light Emerging: The Journey of Personal Healing: Brennan---

Drawing on many new developments in her teaching and practice, she shows how we can be empowered as both patients and healers to understand and work with our most fundamental healing power: the light that emerges from the very center of our humanity.In a unique approach that encourages a cooperative effort among healer, patient, and other health-care providers, Light Emerging explains what the healer perceives visually, audibly, and kinesthetically and how each of us can participate in every ...
