Limited Liability Companies for Dummies (For Dummies ...

The Limited Liability Company or LLC is an alternative type of business entity. A Limited Liability Company or LLC is like a corporation regarding limited liability, and it's like a partnership regarding the flexibility of dividing profit among the owners. An LLC can elect to be treated either as a partnership or as a corporation for federal income tax purposes.

Acces PDF Limited Liability Companies For Dummies

Limited partners escape the unlimited liability of general partners. Limited partners are not responsible, as individuals, for the liabilities of the partnership entity. These junior partners have ownership rights to the business's profit, but they don't generally participate in the high-level management of the business.
