[Little Excavator by Anna Dewdney: 9781101999202 ...](#)

In gentle rhyming text, Little Excavator tells the story of Little E, a juvenile excavator who just wants to help the older, bigger machines as they transform a vacant lot into a pretty park. He tries to help, but he's just not big enough for most of the jobs... until there's one important job left that only he can do.

[Little Excavator by Anna Dewdney - Goodreads](#)

Little Excavator by Anna Dewdney This book is by the creator of the Llama, Llama series, Anna Dewdney and is every bit as sweet as those books are. Little E is a bit too small for most of the jobs on the construction site. He keeps trying to help but it's not until he find a job that is just the right fit, that he finally manages.

[Excavator videos for children | Trucks for children ...](#)

Little Excavator has an encouraging moral about hard work, persistence, and the special contributions of the young embedded in a story about beautifying a neglected and trash-filled vacant lot. Author-illustrator Anna Dewdney is a master at rhyme, which is never as easy as it looks.

[Little Excavator Book Review - Common Sense Media](#)

A little excavator (aka Little E) keeps trying to do big jobs and either getting in the way or tipping over. All the big rigs keep moving him out of the way. Predictably, at the end there's a job only a little excavator can do! But it's so darn cute, I didn't care that it was predictable. The rhyme and rhythm of the book is catchy, but a few sentences come out clunky.
