Liza Crihfield Dalby (born 1950) is an American anthropologist and novelist specializing in Japanese culture. For her graduate studies, Dalby studied and performed fieldwork in Japan of the geisha community which she wrote about in her Ph.D. dissertation, entitled *The institution of geisha in modern Japanese society*.

~~Liza Dalby - Wikipedia~~

Liza Dalby apparently became a geisha for a few months in about 1976, for her anthropology grad work. As an anthropological study, it is well constructed, and probably reworked for the general public--moving the statistical parts to a separate section etc.

~~Geisha by Liza Dalby - Goodreads~~

In *'Geisha'* Liza Dalby has managed to write a book studying the lives of Geisha and how their art developed, whilst at the same time making it flow like a novel. This book is an in-depth look at Geisha life and also touches upon general life in Japan as well, which makes for fascinating and captivating reading. It is illustrated throughout with photos and a few

In contrast to "Memoirs of a Geisha" by A. Golden, Liza Dalby lived for 14 months within Geisha communities and can provide a more authentic and broader view than beforementioned Golden, whose publication received a lot of critics by his geisha, who felt misunderstood in some aspects. Whereas Golden has the view of a westerner on something exotic, Dalby interviewed geisha, ex-geisha, owners of ...

With its fascinating story of characters caught up in a world they themselves don't understand, Hidden Buddhas may well be Liza Dalby's best work yet. Besides taking us on a journey through little-known corners of Japan, it offers us an engaging and believable portrait of people driven to do things they may not have imagined."
