April Tatler Monthly Magazines for sale | eBay

Tatler was founded in 1709 by Richard Steele, who used the nom de plume "Isaac Bickerstaff, Esquire". This is the first known such consistently adopted journalistic persona, which adapted to the first person, as it were, the 17th-century genre of "characters", as first established in English by Sir Thomas Overbury and then expanded by Lord Shaftesbury's *Characteristicks* (1711).
