## Making An Archtop Guitar: Amazon.co.uk: Robert Benedetto ...

With almost 20 years of experience in custom guitar making, the author details the step-by-step making of an electric archtop guitar using commercially available laminated top and back plates. Laminated plates have been the standard used on the vast majority of electric archtops since the 50's, and definitely represent a cost and time effective solution, especially for those tackling a first archtop project.
