12 Best Single Malt Scotch Whisky Brands to Buy in 2020

Malt whisky is whisky made from a fermented mash consisting primarily of malted barley. If the product is made exclusively at a single distillery (along with other restrictions), it is typically called a single malt whisky. Although malt

Access Free Malt Whisky

whisky can be made using other malted grains besides barley, those versions are not called malt whisky without specifying the grain, such as rye malt whisky or ...

Malt whisky - Wikipedia

Malt whisky is the "original" whisky of Scotland. Although other grains were

Access Free Malt Whisky

used, barley was grown specifically for making beer and whisky. However, with the success of blended whisky in the late 19th century, little was drunk as single malt outside the Highlands until the 1980s, when "the vintages of the North" were rediscovered by an enthusiastic public and began to be made available by distillery
