essential performance dimensions on which an organization beats, equals, or loses to the competition: cost, quality, speed, innovation, service, and sustainability.

Management: Leading & Collaborating in a Competitive World ...

In the new Seventh Edition of Management: Leading And Collaborating in the Competitive World, Bateman and Snell go a step further to discuss the advantages of leadership and collaboration as two essential means to these four "bottom line" practices that successful managers and companies must deliver to their customers. This leadership and collaboration theme is the key to successful management.
