This means students often have an income, which then may be subject to tax. Students on an apprenticeship will also be earning while they are on their course. It is important that you understand what income you can earn before you start paying tax and National Insurance contributions, what your payslip shows you and, if you have overpaid tax, how you obtain a refund .

National Insurance contributions for employees do not work in the same way as income tax deductions: the system looks only at the contribution needed for that pay period. So earning a large sum in one week may lead to NIC being deducted from your pay that cannot be refunded, even though you normally earn a very small wage and 'on average' would not need to pay NIC.
