crucial to your success.

Whether we are talking about playing chess, playing golf, or investing in real estate, a good foundation is critical to accomplishing your goals. While getting lost in the details can often be easy, master the basics first and you stand a much better chance of winning in the long-run.

"Mastering The Basics (And More) of Adobe Framemaker 10" I never thought I would say this about a technical book, but it was un-put-downable; reading 12 chapters in six straight hours (and understanding it too). While reading, I tried out a few things that I used to be puzzled about in the days of Framemaker 6 (the power of the Reference page).
