The Junior Kangaroo is a follow-on round to the Junior Mathematical Challenge. It is a 60-minute, multiple-choice competition consisting of 25 problems. We invite several thousand UK-based students from the Junior Mathematical Challenge to take part in the Junior Kangaroo. Entry to the competition is by invitation only and is based on a qualifying score, which is variable from year to year.

About SMK. SMK is a unique competition,and it is different from the other math competitions. Its syllabus is less advanced than other Olympiad competitions, and students can compete without any special training or advanced knowledge. SMK questions are set during Annual Math Kangaroo Conference by 150 educators from 70 countries. With all that math brainpower focused on creating interesting problems, SMK has the best math problems in the world for all students to enjoy solving.
