wide range of topics including pharmacological interventions for schizophrenia, bipolar disorder, depression and anxiety, and many other less common conditions.

The Maudsley Prescribing Guidelines in Psychiatry 13th Edition

This 12th edition of The Maudsley Prescribing Guidelines in Psychiatry marks its 20th year in continuous production. Readers who have owned or used previous editions will find this edition no different in style from previous incarnations. This is deliberate – the feedback we receive suggests the organisation and structure are well liked.
