It is a world-class traffic management center where staff oversees a traffic monitoring system composed of 400 freeway miles instrumented with: The ...

MDOT - Southeast Michigan Transportation Operations Center ...

Michigan's rail system has approximately 3,600 miles of track, operated by 26 railroads. Four of the seven Class I railroads operate in Michigan. The system carries about 21% of all the state's freight tonnage and 23% of the commodities by value. This system also supports three intercity passenger-rail routes. The system is almost exclusively privately owned and financed by the railroad ...
