Medical Gas Medical Gas copper fittings

manufactured by Conex Banninger are

scientifically proven to assist in killing

pathogenic microbes in the medical,

pharmaceutical, food preparation and other

health sensitive areas.

~~Medical Gas — Conex Banninger~~

Medical Gas Cylinders. Medical gas cylinders

may be used for convenience or just be kept

as a back-up to a fixed pipeline supply.

Historically, many medical gas stores have

been located in isolated or disused buildings

with only basic security measures in place.

This has led to medical gas cylinders being

targeted by thieves for both their scrap

metal value and contents.
