EBOOK: Microeconomics | UK education collection

For courses in Principles of Microeconomics. An evidence-based approach to economics. Throughout Microeconomics, 2nd Edition, authors Daron Acemoglu, David Laibson, and John List use real economic questions and data to help students learn about the world around them. Taking a fresh approach, they use the themes of optimization, equilibrium, and empiricism to not only illustrate the power of simple economic ideas, but also to explain and predict what 's happening in today 's society.
